Briefly describe why you believe the recipient should be awarded the Ginny Meisenbach Survivor Support Grant:

Is there anything else you would like the review board to consider about the recipient?

THE GINNY MEISENBACH SURVIVOR SUPPORT FUND

Carrying on Ginny's vision of helping individual survivors reach their greatest potential.

About the late Ginny Meisenbach and the Survivor Support Fund

The StolenYouth Board established the Survivor Support Fund in loving memory of the late Ginny Meisenbach, our beloved friend and co-founder, to continue her commitment to helping individual survivors take steps towards full and healthy lives.

A woman always “in the trenches,” whether pouring concrete in New Orleans after Hurricane Katrina or traveling to the developing world to learn about microfinance, Ginny was a passionate hands-on philanthropist, committed to learning about the individuals she served. She understood that even after leaving the life, survivors face many everyday obstacles in moving forward from a traumatic past. The mission of this fund is to help survivors overcome these obstacles with the help of small one-time grants.

Grants from the GMSS Fund can cover a wide variety of needs, including but not limited to: continuing education costs, career training opportunities, clothing for employment, basic life essentials, and healthcare. The Fund's Review Board typically awards grants up to \$500, but is open to other considerations based on need.

The Application Process

Grant requests can be submitted by all service providers, advocates, and law enforcement. To request a grant, please complete the attached application.

The GMSS Fund Review Board accepts, reviews, and approves applications within two weeks of submission in most instances. Please contact StolenYouth at (206) 508-3887 with application questions, or via email at: hope@stolenyouth.org.

FAQ

How much should we ask for?

The GMSS Fund Review Board awards grants up to \$500 and is open to other considerations based on need.

How long does it take to receive a grant?

Once the GMSS Fund Review Board approves the application, a notification and arrangement will be made to make payment via email. Requests over \$500 will require 30 days to review with the GMSS Review Board prior to a determination being made.

What are your deadlines?

The GMSS Fund accepts and reviews applications throughout the year and as funding allows.

How much information should we include?

Please include as much information as needed for the GMSS Fund Review Board to understand the recipient's needs.
